MANAGEMENT'S RESPONSIBILITY

To the Stakeholders of Planned Lifetime Advocacy Network:

Management is responsible for the preparation and presentation of the accompanying financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian Accounting Standards for Not-for-Profit Organizations. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of financial statements.

The Board of Directors is composed primarily of directors who are neither management nor employees of Planned Lifetime Advocacy Network ("PLAN"). The Board is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the financial information included in the annual financial statements. The Board fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external auditors. The Board is also responsible for recommending the appointment of PLAN's external auditors.

Clearline Chartered Professional Accountants, an independent firm of Chartered Professional Accountants, is appointed by the Board of Directors to audit the financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Board of Directors and management to discuss their audit findings.

"Timothy Ames"

Executive Director

"Jessika Grant"

Manager of Finance and Administration

To the Stakeholders of Planned Lifetime Advocacy Network:

We have audited the statement of financial position of Planned Lifetime Advocacy Network ("PLAN") as at March 31, 2016 and the statements of operations and changes in fund balances and cash flows for the year then ended. These financial statements are the responsibility of PLAN's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian Accounting Standards for Not-for-Profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian Generally Accepted Auditing Standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

As is common with many not-for-profit organizations, PLAN derives revenue from donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of PLAN. Therefore, we were not able to determine whether any adjustments might be necessary to contributions, excess of revenue over expenses and cash flows from operations for the year ended March 31, 2016 and current assets and net assets as at March 31, 2016.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects the financial position of PLAN as at March 31, 2016, and the results of its operations and its cash flows for the year ended March 31, 2016, in accordance with Canadian accounting standards for not-for-profit organizations.

PLANNED LIFETIME ADVOCACY NETWORK

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

1) Nature of operations

Planned Lifetime Advocacy Network (the "Organization" or "PLAN") is incorporated under the Society Act of British Columbia and is a registered charity under the Income Tax Act. PLAN is a not-for-profit organization established to build a network of caring people, friends and advocates for persons with disabilities and to monitor their quality of life for their lifetime.

2) Summary of significant accounting policies

a) Basis of presentation

The financial statements were prepared in accordance with Canadian Accounting Standards for Not-for-Profit Organizations ("ASNPO").

b) Fund accounting

PLAN follows the deferral method of accounting for contributions.

Receipts and expenditures related to project activities are reported in the Project Fund.

Endowment and restricted contributions are reported in the Endowment and Internally Restricted Fund.

Any Project, Endowment, or Internally Restricted balances are restricted amounts not available for general operating purposes. Investment income earned on resources of certain internally and externally held endowment funds are reported in the Operating Fund. Externally held Endowments are not reported in these financial statements.

c) Revenue recognition

Deferred contributions reported in the Operating, Project, and Endowment and Internally Restricted Funds relate to funding received in the current and prior periods that are related to the subsequent period projects and operations.

Deferred contributions are recognized as receipts of the appropriate fund in the year in which the related expenses are incurred.

Unrestricted contributions are recognized as receipts of the appropriate fund when received.

Endowment contributions are recognized as direct increases in the Endowment Fund balance.

d) Measurement uncertainty

The preparation of these financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant areas that require estimates as the basis for determining the stated amounts include assumptions related to accounts payable and accrued liabilities, deferred contributions, and the allocation of expenditures.

PLAN bases its estimates and assumptions on current facts, historical experience, and various other factors that it believes to be reasonable under the circumstances, the results of which form the basis for making judgments

PLANNED LIFETIME ADVOCACY NETWORK

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

about the carrying values of assets and liabilities, and the accrual of costs and expenses that are not readily apparent from other sources. These estimates require extensive judgement about the nature, cost, and timing of the work to be completed and may change.

The actual results experienced by PLAN may differ materially from the Organization's estimates. To the extent there are differences between the estimates and the actual results, future results of operations will be affected.

e) Equipment

Amortization of equipment is calculated on a declining-balance basis at the following annual rates:

Computer 30% to 50%

Equipment 20% to 30%

PLAN regularly reviews its equipment to eliminate obsolete items. Equipment is amortized at half the normal rate in the year of acquisition and is not amortized in the year of disposal.

Equipment acquired during the year but not placed into use is not amortized until it is placed into use.

f) Deferred contributions

Funds received for which corresponding expenditures have not been incurred are recorded as deferred contributions in accordance with the deferral method of accounting for not-for-profit organizations. In addition, when a project is completed during the fiscal year, any surplus or deficit for that project is recognized as revenue in the period. An interfund transfer to the Operating Fund is booked to transfer the surplus, if any, in the Project Fund.

g) Cash

Cash consists of cash on hand, deposits in banks and highly liquid investments with an original maturity of three months or less.

h) Contributed services

Volunteers contribute time each year to assist PLAN in carrying out its activities. Because of the difficulty in determining the fair value, contributed services are not recognized in these financial statements.

i) Allocation of expenditures

PLAN allocates staff time (e.g. administration, project management) and operational expenses (e.g. rent, equipment use) directly related to projects on the basis of time and usage. When a project is completed during the fiscal year, any surplus is recognized as revenue in the period. An interfund transfer to the Operating Fund is booked to transfer the surpluses, if any, in the Project Fund.

PLANNED LIFETIME ADVOCACY NETWORK

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

3) Financial instruments

All financial instruments are initially recorded at their fair market value, less significant associated transaction costs. Subsequently, publically traded fixed income securities are measured at their fair value. All loans and receivables are subsequently measured at their amortized cost using the effective interest method, while all other financial instruments are subsequently measured at fair value. Any unrealized gains or losses associated with subsequent measurements are recognized immediately in net excess of revenue over expenses. Unless otherwise noted, the fair value of these financial instruments approximate their carrying values due to their short-term maturity.

a) Credit risk

PLAN is exposed to credit risk with respect to its cash and term deposits; however, this is mitigated as the cash and term deposits are placed with a major financial institution. PLAN is also exposed to credit risk with respect to its accounts receivable; however, this is minimized by the Organization's large member base.

PLAN is exposed to credit risk that arises from the possibility that related parties may experience financial difficulty and be unable to fulfil their obligations. As at March 31, 2016, related party balances owed to PLAN are not significant; accordingly, PLAN is not significantly exposed to credit risk.

b) Currency risk

Currency risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. PLAN holds all funds in Canadian dollars and therefore is not exposed to significant currency risk.

c) Interest rate risk

Interest rate risk is the risk of losses that arise as a result of changes in contracted interest rates. PLAN's exposure to interest rate risk relates to its ability to earn interest income on cash and term deposit at variable rates. The Organization is not exposed to significant interest rate risk.

d) Liquidity risk

Liquidity risk is the risk that PLAN cannot meet a demand for cash or fund its obligations as they come due. PLAN manages liquidity risk by continuously monitoring cash flow.

As at March 31, 2016, PLAN holds unrestricted cash and term deposits totalling \$96,790 to settle current liabilities of \$51,188; accordingly, PLAN is not exposed to significant liquidity risk.

⁽ⁱ⁾ During the year ended March 31, 2012, PLAN signed a promissory note with the Vancity Community Foundation to borrow \$300,000. Under the terms of the agreement, PLAN will not be charged interest on the principle outstanding but forfeits the income that would have otherwise been earned on the \$300,000 principal investment with the Vancity Community Foundation. Subsequent to the year-end, Vancity renewed the promissory note under the same terms for an additional five years. The renewed promissory note matures on December 12, 2021, after which time, the full principal amount of \$300,000 is to be fully repaid, or a subsequent new financing or extension agreement will be entered into at that time.

⁽ⁱⁱ⁾ The non-interest bearing loan is repayable in monthly instalments of \$189, plus tax, and matures on June 6, 2016.

7) Deferred contributions

Operating funds are comprised of funding received from corporate sponsors.

The project revenue reflected in the statement of operations reflects project expenditures funded during the year. Project expenditures are funded from a combination of previously deferred contributions and current contributions to these deferred accounts.

	March 31, 2016	March 31, 2015

	<u>330,471</u>	<u>191,917</u>
Total	\$ 367,594	\$ 261,253

⁽ⁱ⁾ PLAN received a total of \$379,500 from the Gordon Marshall Walker Trust. A signed agreement is in place which restricts the use of these funds, and therefore the amount has been recorded as a deferred contribution in accordance with the deferral method of accounting for not-for-profit organizations.

8) Commitments

PLAN is committed to a property and premises lease aggregating approximately \$32,028 expiring August 31, 2017.

Commitments for base rent in each of the subsequent fiscal years are as follows:

9) Fund management

PLAN's objective when managing its funds is to ensure sufficient funds are available to meet its obligation and to safeguard the Organization's ability to continue as a going concern so that it can continue to improve the lives of people with disabilities and enrich their communities to form mutually beneficial relationships and partnerships. PLAN intends to achieve this objective through continued training, consultations, and cost control.

10) Endowments and internally restricted funds

	March 31, 2016	March 31, 2015
Sustainability Fund ⁽¹⁾	\$ 52,115	\$ 47,671
	\$ 52,115	\$ 47,671

⁽¹⁾ During 2016, the Board of Directors allocated 1% of certain operating revenues other than projects and gaming of \$4,444 (2015 - \$4,102) to the Sustainability Fund.

11) Externally held endowment funds

The externally held Endowment Funds are accessible only in accordance with the terms of the deed of trust. Generally, the income earned in the funds are distributed to PLAN, and the amounts received are included in corporate and foundation funding and investment revenue streams in the statement of operations and changes in fund balances. All monies invested in the following funds become the property of the applicable Foundation and as such these amounts are not reported in these financial statements. All of the balances below are based on figures at December 31, 2015.

a) St. Christopher's School Society Endowment Fund

PLAN is the beneficiary of the St. Christopher's School Society Endowment Fund ("St. Christopher's Fund"), held by and administered through the Vancouver Foundation ("Vancouver Foundation"). During the year ended March 31, 2016, PLAN received endowment interest of \$33,754 (2015 - \$32,070).

b) PLAN Circle of Friends Legacy Fund
